69 responses

The course syllabus of the subject increased my knowledge and perspective in the subject area

69 responses

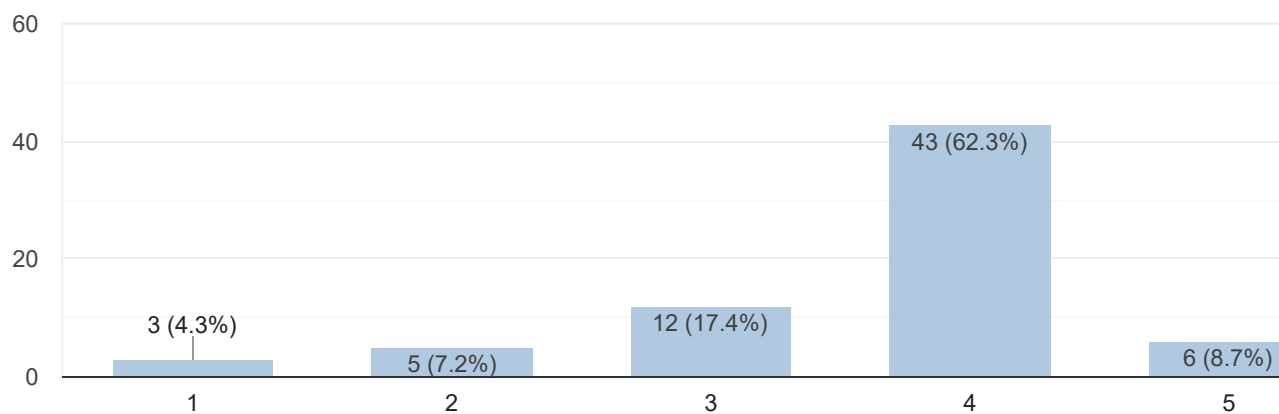

The course/program of studies carries sufficient number of optional papers

69 responses

The marks allotment are distributed evenly as per the syllabus content

69 responses

Any suggestions for curriculum development

69 responses

No

None

Syllabus must be according to the standards of other top universities

Change of the entire syllabus & structure

Nil

Need to update every now and then

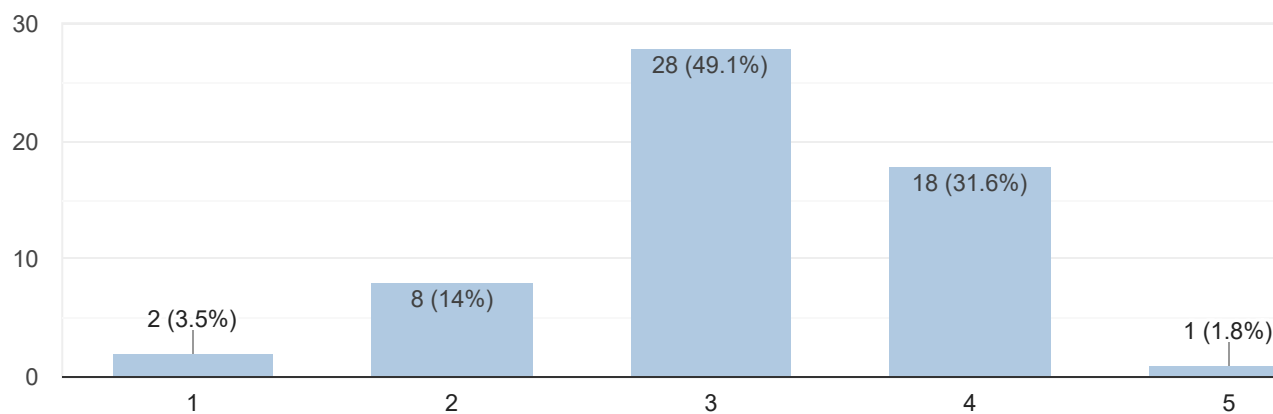

Field practicals are needed

More effort from teachers

It needs a balanced and updated student friendly syllabus as the present syllabus is too theoretical and vast.

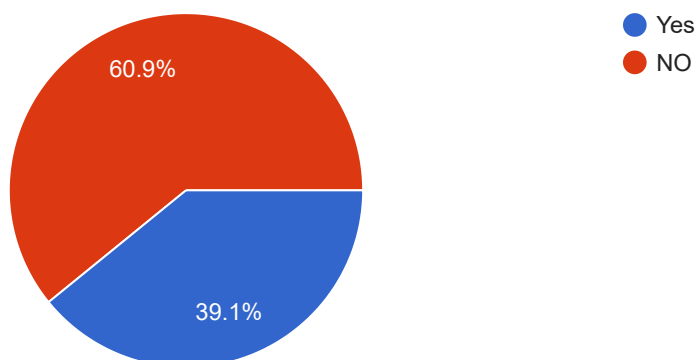

How satisfied are you with the laboratory facilities?

57 responses

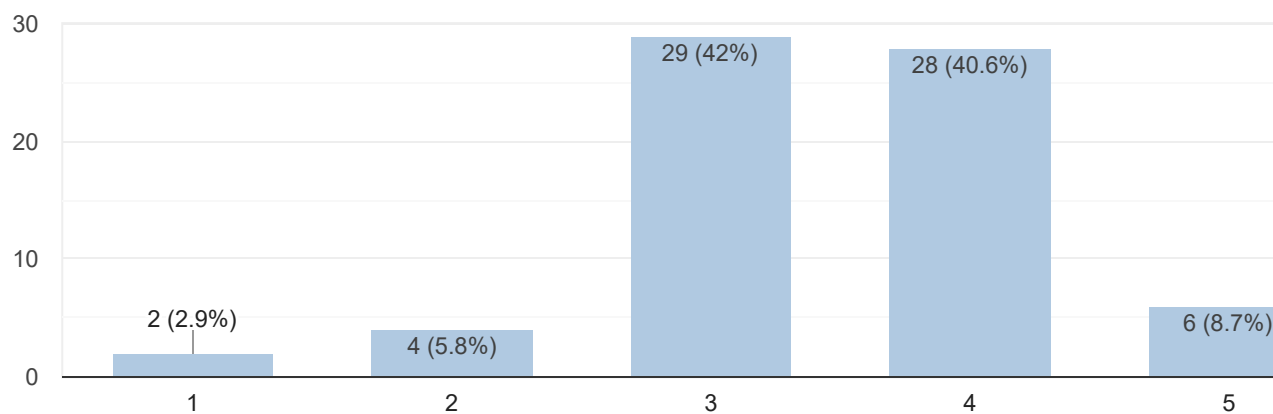

Restrooms for faculty are sufficient

69 responses

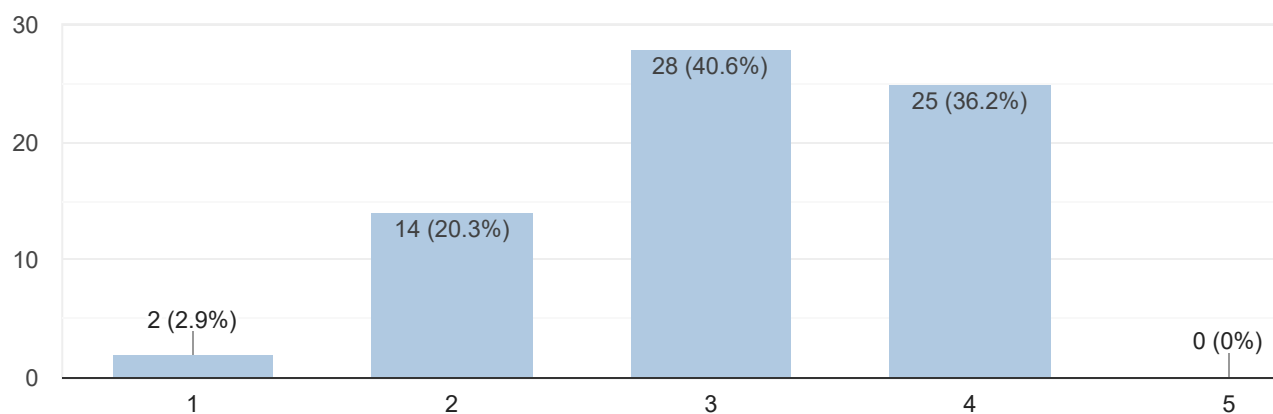

Classrooms are teacher/Learner friendly

69 responses

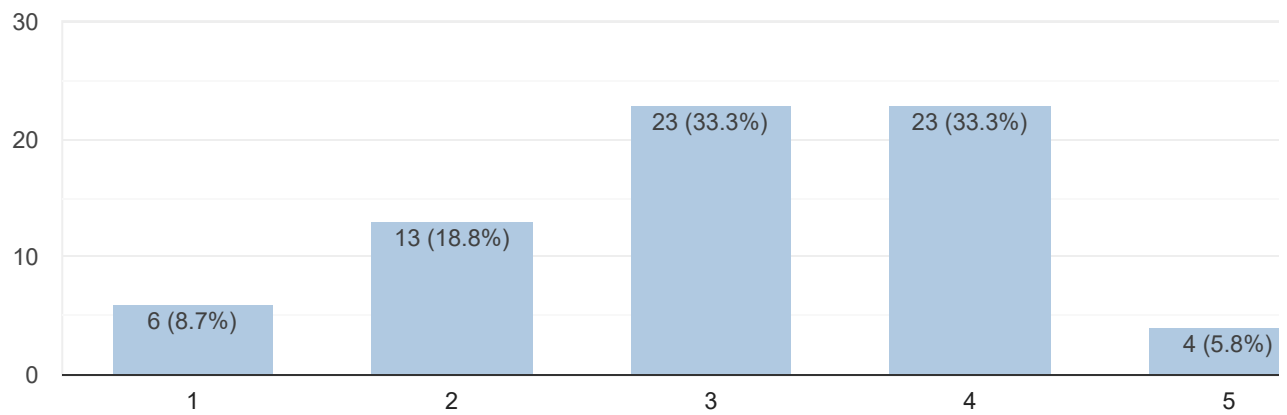

Library caters to your needs

69 responses

Canteen services are efficient

69 responses

Any suggestion for infrastructure development

69 responses

None

No

All classrooms needs ICT facilities

Procurement of more lab equipments

Long term Master Plan is required

Internet facility, proper faculty room with facilities

When genuinely needed, infrastructure should be provided to the department without hesitation.

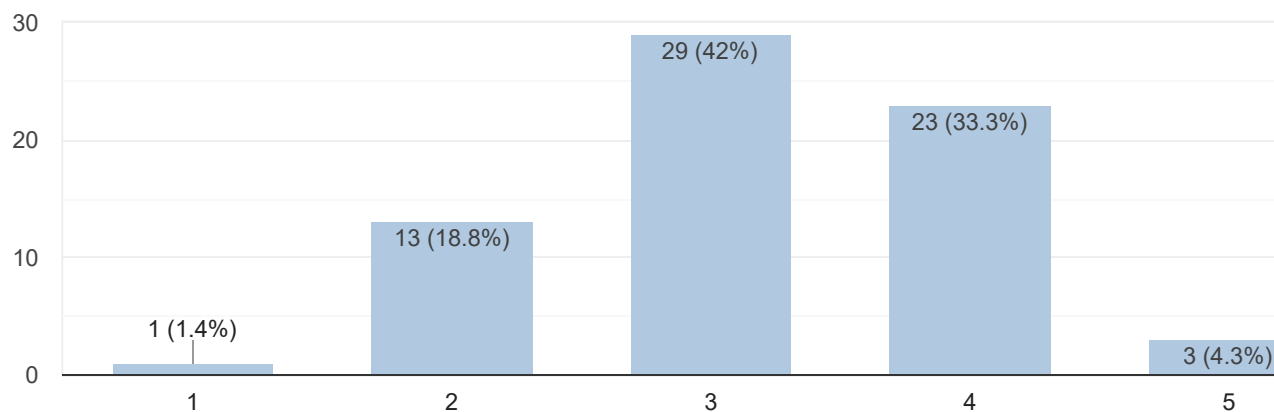

Gender friendly restroom is a must which we don't have. Library is not progressively equipped as per needs of time. Canteen needs student friendly budget and healthy menu.

new library building is required

Untitled section

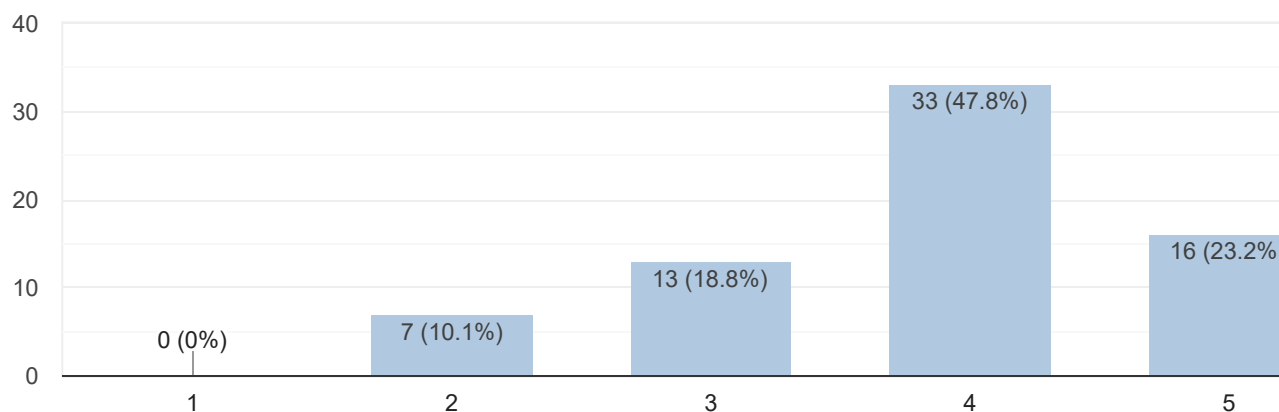

Lighting, seats, teaching aid like lecterns, boards and ICT facility in the classroom are sufficient

69 responses

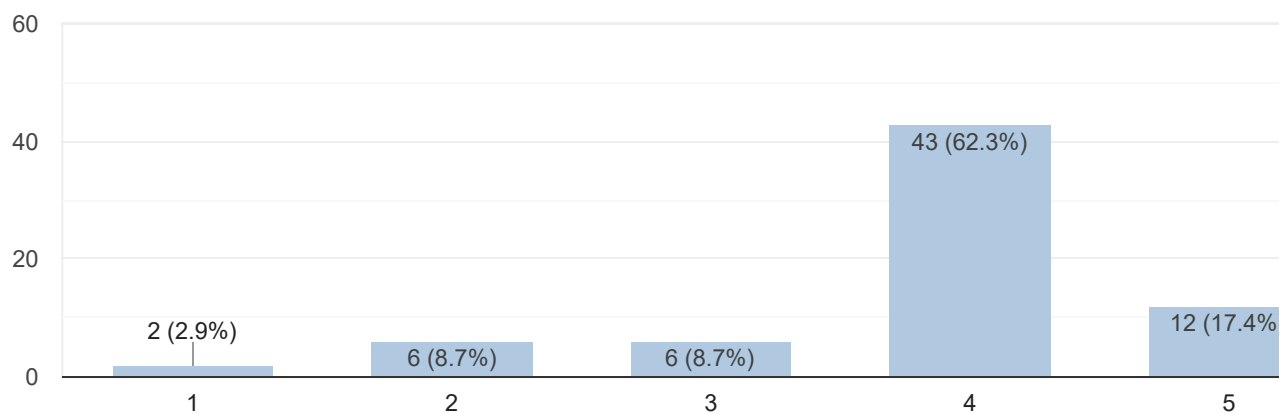

45 minutes per class is sufficient for a class lecture

69 responses

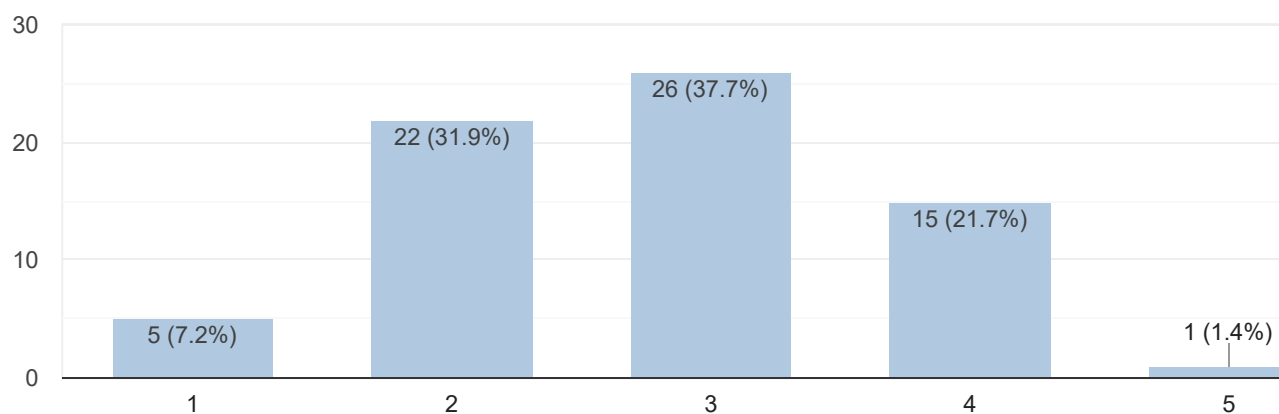

Internal tests are conducted conveniently with the syllabus completion

69 responses

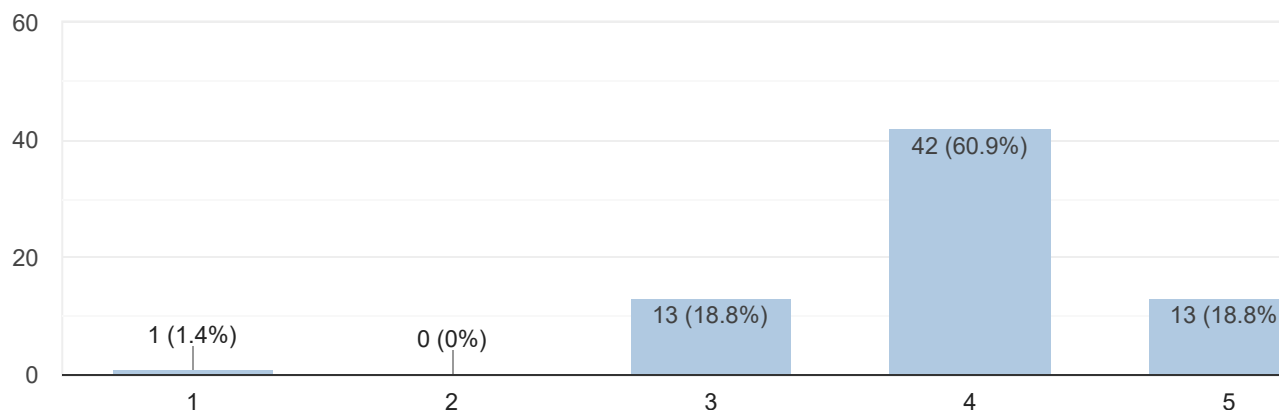

The syllabus provides freedom to modify and incorporate new topics in the syllabus

69 responses

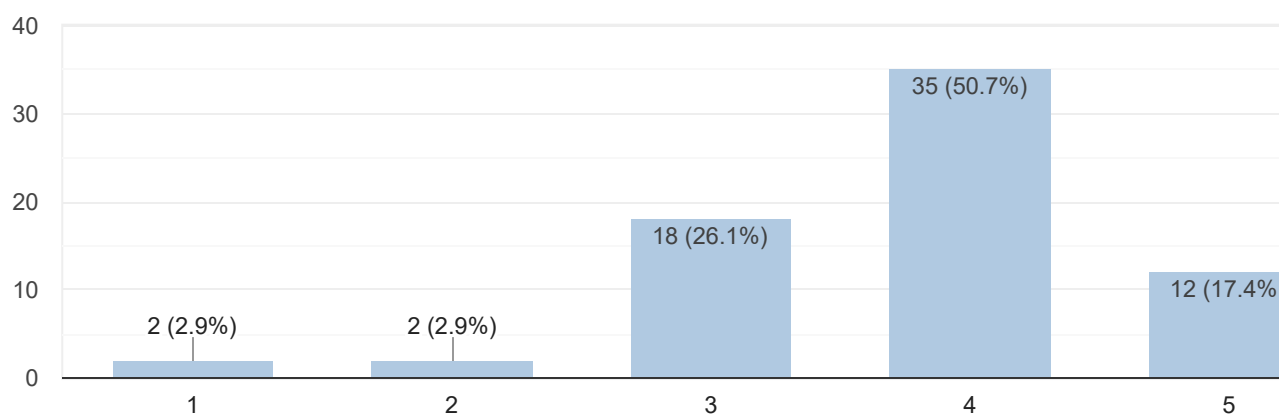

I have the freedom to adopt new techniques/strategies of teaching such as seminar presentations, group discussion and learners' participation

69 responses

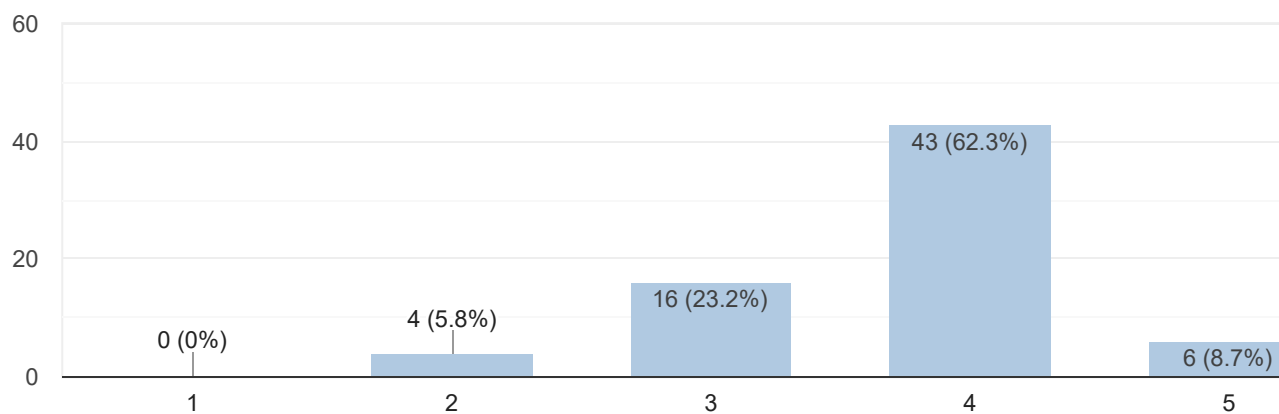

I have the freedom to adopt/adapt new techniques/strategies of testing and assessment of students in the present pattern of assessment

69 responses

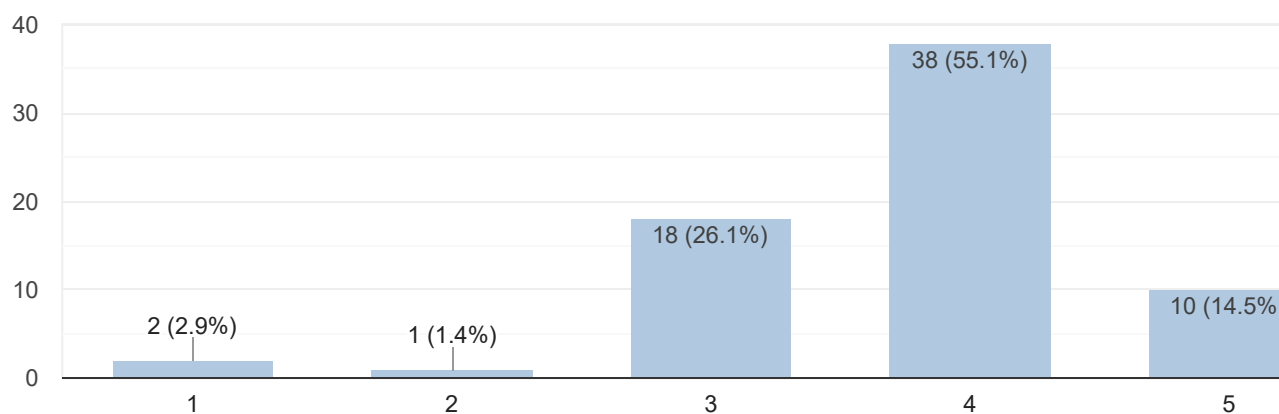

The environment in the department is conducive to teaching and research

69 responses

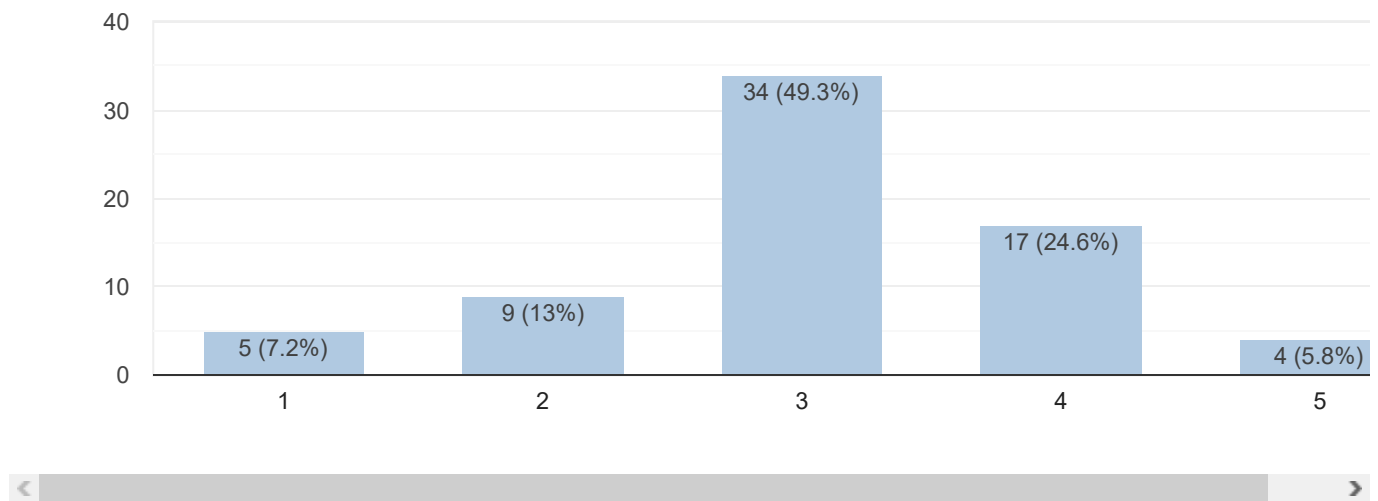

The college had a friendly ambiance for teaching and learning

69 responses

The college promote and provide scope for projects and research facility

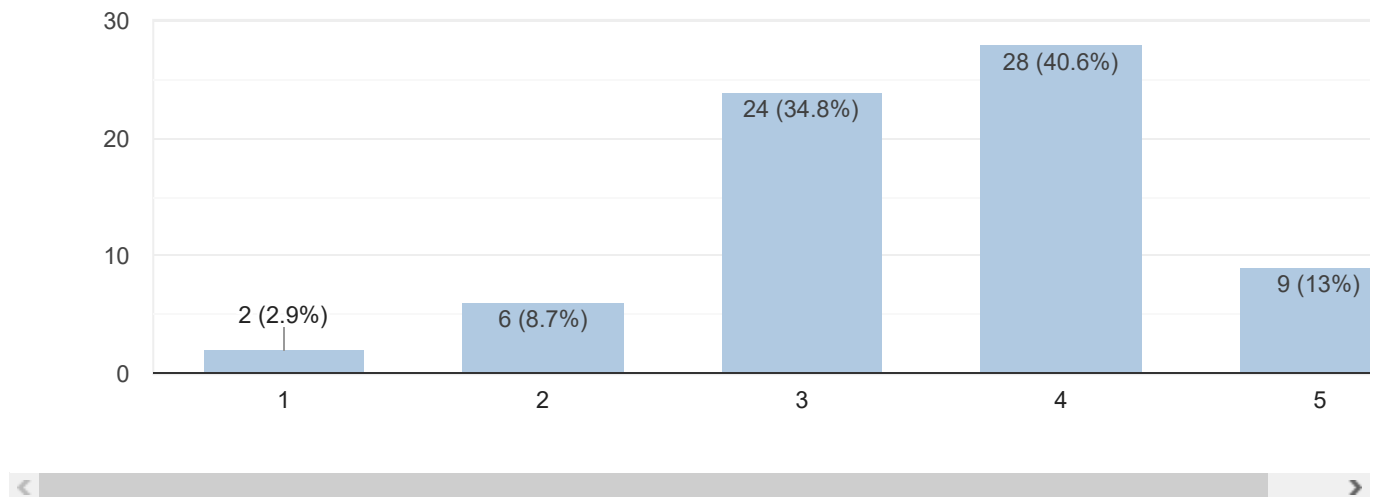

69 responses

Section 6 of 6

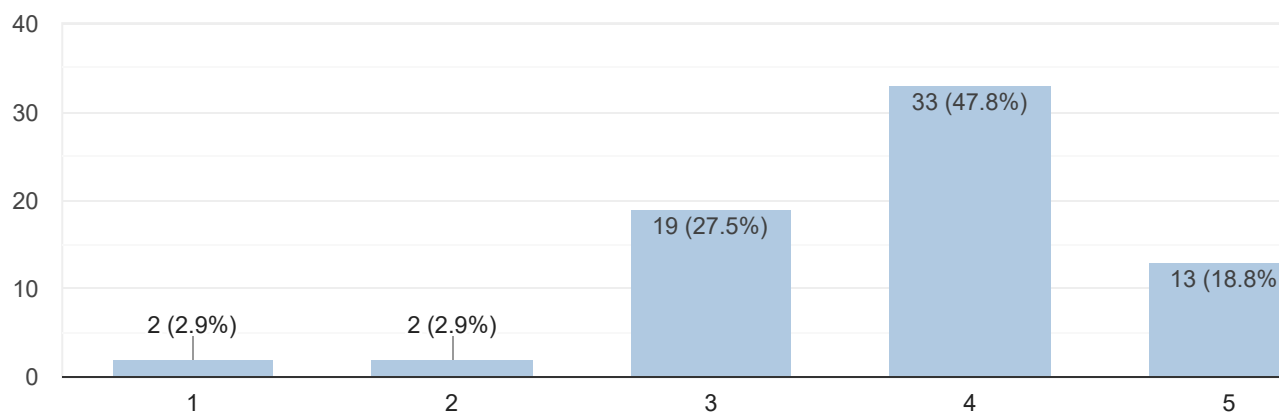

The College encourages and provides scope for attending faculty development programs

69 responses

Provision for professional development are non-discriminatory and fair

69 responses

Suggestions for improvement, if any

69 responses

None

No

Academic atmosphere in the college is nil, hence faculties should be encouraged to engage more in research activities rather than involve themselves in stupid committees.

None

Extension of more labs

Exposure of Teachers once in a year will bring good results overall.

Neutral

Satisfactory till now.

Research activity can be rightfully encouraged only if the work burden is justified as per UGC
